We are called the **pulling** words, call us **bullying** words if you like!!  
When we come in front of a word we like to bully it and squash it into a kasrah.

Look at us in action below.

1

'Here we kick the dammah off from the end of the word.'

مِنْ

2

'Look at how the dammah falls under the word.'

مِنْ

3

'Now we stamp on it to turn it into a kasrah.'
